

Word of Hope Ministries, Inc

FAMILY RESOURCE

“Because the government is becoming increasingly limited in providing various services, the church is becoming more of a resource for the needs of the community. Word of Hope Ministries, Inc. is committed to helping persons in need.”

~Bishop C.H. McClelland
Founder & President
Word of Hope Ministries

2012 Outcomes

“A ministry that touches people.”

MISSION STATEMENT

Word of Hope Ministries, Inc. will provide an array of services that support the physical and spiritual needs of individuals and families in the community.

We believe that Jesus Christ provided the perfect model for holistic ministry, and it is by this example that we choose to model this ministry.

“Blessed is the man that trusted in the Lord, and whose hope the Lord is. For he shall be as a tree planted by the waters, and that spreadeth out her roots by the river, and shall not see when heat cometh but her leaf shall be green: and shall not be careful in the year of the drought, neither shall cease from yielding fruit.” (Jeremiah 17:7-8)

WALK-INS WELCOME

RExO (Re-Integration of Ex-Offenders)

A faith based initiative funded by the U.S. Department of Labor that provides specialized skill training, job placement, mentoring, case management, and career focused counseling for adult ex-offenders. Qualifying participants must have been released within the past 180 days, must be under supervision for a minimum of six months, and have no prior history of committing any violent or sexual crime.

MENTORING/LIFE SKILL COACH

The Word of Hope Ministries has a strong mentoring component that will maintain regular contact with program participants, to assist with program retention. The mentoring program sessions are aimed to encourage positive thinking and behavior through self-examination, accountability and role modeling. Mentors will support participants in maintaining a career path, family reunification and social skill development. The mentoring sessions are curriculum based and primarily focus on the 7 key areas in one's life: Family, Community, Health, Personal Development, Financial, Social and Professional. Participants will identify with change and reduction of the recidivism rate.
